

## INVENTING LINKS -

<http://invention.smithsonian.org/home/>

Best site you can find on Inventing & Inventions!

Invention Dimension is another program funded by the Lemelson Foundation; this one administered by MIT's Department of Engineering. Each week a different invention and inventor is profiled. Archives can be browsed alphabetically by inventor or by category of invention.

<http://web.mit.edu/invent/invent-main.html>

Web site lists all inductees into the National Inventors Hall of Fame in alphabetical order. Each inventor's page lists major accomplishments and life highlights.

## United States Patent and Trademark Office (USPTO)

Inventors Resources <http://www.uspto.gov/inventors/index.jsp>

### USPTO For Kids

This is the "For Kids" section of the USPTO web site. The USPTO welcomes young inventors and provides multiple resources for inventors of all ages in the patent process.
